Monfort College of Business

Accredited. Award-winning. Personalized.
The Monfort College of Business offers students a dynamic business education with expert faculty.

With small, interactive classes and access to a wide array of business technologies, you’ll graduate with the skills and knowledge you need for success, and you’ll build professional connections with seasoned professors and highly placed executives.

See what we have to offer:

- Innovative and personalized teaching
- State-of-the-art research facilities
- A quality learning experience that is unique to the University of Northern Colorado

Experience the difference.
ACCREDITED
You’ll benefit from the credibility and quality ensured by our AACSB International accreditation. MCB is among an elite selection of schools worldwide who are accredited in both business administration and accounting.

EXCEPTIONAL
For eleven consecutive years, MCB seniors have placed in the top 15 percent on the national Major Field Test (MFT) for Business. The MFT is administered by the Educational Testing Service (ETS) to students at more than 500 colleges and universities.

PERSONALIZED
With an average class size of 26, your professor will know you and will offer instruction and opportunities that connect specifically with your professional goals.
EXPERIENTIAL LEARNING OPPORTUNITIES

MCB Professional Experience

All MCB students complete at least 50 hours of work experience in their fields before graduation. With the help of your Professional Experience Coordinator, you’ll learn the basic skills and principles expected of you in an entry-level position, build your resume for future job opportunities and graduate well-prepared to enter your professional career. A majority of our students receive job offers from these experiences.

Hands-on Job Preparation

Getting a job is every student’s goal. To prepare you, MCB sponsors a number of extracurricular activities, including:

• *Career Week*: Panels of employers talk about the job search experience to help prepare you with strategies for success.

• *Networking Night*: Companies come to campus and work with you to build networking skills you’ll apply not only after graduation, but also throughout your professional career.

INSIDE AND OUTSIDE THE CLASSROOM

Take a class managing a multi-million-dollar investment portfolio, participate in competitions, or volunteer your time. You’ll strengthen your resume, deepen your business education and connect with peers and professors.

AWARD-WINNING

MCB is recognized for its quality programs and outstanding student experience. Student competitions, awards, and honors include:

• First, second and third place, Colorado American Marketing Association Peak Awards, 2015

• First place, 2016, third place, 2015, Daniels Fund Case Competition

• First place, Phillips 66-Enactus Business Ethics Case Competition, 2014

• First place, Deloitte Tax Case Study Regional Champions 2013 and 2015 and National Competition finalists, 2013

• First place, Global Asset Management Education, Undergraduate Core, 2011

• Third place, Financial Management Association Student Chapter, National Quiz Bowl, 2013

• Gold Chapter, Beta Alpha Psi, 2013; Superior Chapter last 10 years

• Best Promotional Segment, Glidden Advertising Campaigns, 2013

**Careers in Software Engineering:**
- Software development
- App development
- Software programming

**SOFTWARE ENGINEERING**

---
Personalized Advising

All MCB first-year students are assigned a professional advisor who will help you navigate resources on campus and teach you about your degree’s requirements.

Courses during your first two years will provide a solid foundation for the more advanced courses related to your business major. During your junior and senior years you’ll work directly with a professor in your field.

State-of-the-Art Technology

The new million-dollar Financial Education Center serves diverse needs for financial literacy within MCB and the university community.

Students gain hands-on experience in the trading room and share knowledge with faculty and one another in the FEC’s technology labs and social spaces. High-tech classrooms, conference space and student collaboration rooms are available to students, reflecting UNC’s continued commitment to small-group, student-focused learning.
Residential Learning Communities

UNC has some of the best residence halls in Colorado.

Business majors can choose to live in the MCB academic residential learning community. Living with others who share your interests and goals can help you gain academic depth and build connections that enrich your education.

You’ll benefit from:

- Faculty mentors outside the classroom
- Events of specific interest to business majors
- Co-enrollment in first-year classes to meet other business students and form study groups
- Build professional, life-long connections
JOIN THE CLUB
UNC offers more than 150 university-wide clubs and organizations. There are 10 organizations specific to business, and a club for every business area. For more information, visit MCB.UNCO.EDU/CLUBS

STUDY ABROAD
For the same cost as UNC classes, you can choose from nearly 200 study abroad options in more than 50 countries; and MCB has study abroad scholarships. While abroad, you can earn credits toward your major, minor and LAC requirements, and MCB has study-abroad scholarships. For more information, visit MCB.UNCO.EDU/CURRENT/STUDYABROAD/

“My time abroad pushed me outside of my comfort zone and into my success zone, building my confidence, my independence and my curiosity. I would most definitely recommend a study abroad experience. In order to truly understand how big the world is and how much you still have to learn, you need to step outside your own community.”

—Abigail Thomas
Vilnius, Lithuania

SCHOLARSHIPS
Last year, MCB awarded over $400,000 in scholarships to business majors. To be considered for other scholarships, submit the UNC Universal Scholarship Application. For detailed information about all UNC scholarships, visit UNCO.EDU/OFA
