*** If a student fulfills the BACS 101 requirement by successfully passing the Computer Proficiency Exam the student will choose an alternative 3 semester hours of Non-Business Elective credits in order to reach the 120 hours required for graduation.**

Computing Proficiency Exam: The College maintains a computing proficiency requirement as a prerequisite to certain business courses. It is expected that most students will demonstrate this proficiency as they enter the program. All students may demonstrate this competency through: a.) passing a stand-alone proficiency exam or; b.) completing an integrated proficiency exam and earning a satisfactory grade in BACS 101 Business Computing. To sign up for the exam, go to the following address: <http://www.mcb.unco.edu/Technology/CPE/>.

A student must attain a 2.0 or greater cumulative Business GPA, and at least a "C-" grade in each individual Business Administration Core course. A student who has attempted at least nine UNC credits in Business Administration courses must maintain a 2.0 grade point average in all Business courses. The following Business courses do **not** count in the Business GPA: BACS 180, BAFN 240, BAMK 260, BAAC 301, BAFN 302, and BAMG 356.

The university's Grade Replacement Policy may be applied to Business courses during the student's undergraduate academic career. Please see <http://www.unco.edu/regrec/Current%20Students/Grades/Gradereplacement.html> for details.

Note: Some students may qualify to apply for admission to a Business major or minor. These students include: Transfer students with at least 15 hours with a cumulative GPA of 2.5-2.99 and UNC students who have completed a total of 15 hours with a cumulative UNC GPA of 2.5-2.99. Students may apply with the administrative assistant in the department of their choice of emphasis located in Kepner Hall.
