

2013 – 2014 Liberal Arts Core (LAC) Course Checklist for Software Engineering Majors

Advisee: _____ Bear# _____ Advisor: _____

Students are required to complete at least 40 hours, distributed among the following areas: Basic Core Courses, Multicultural and International Studies Courses, and Electives. Every student must successfully pass:

- At least 31 hours of Basic Core Courses consisting of 28 hours selected from Areas 1-6 (distributed as indicated below) and one additional course from any subgroup in Area 3 or from a subgroup not already chosen in Area 5.
 - At least one Multicultural Studies course and at least one International Studies course (Areas 7-8). There are courses that may be counted simultaneously toward satisfying the requirement of 31 hours of Basic Core Courses and towards satisfying the Multicultural Studies and International Studies requirements.
 - Enough Electives to bring the total number of hours to at least 40 hours.
- Starred courses (*) may be used to satisfy Multicultural Studies or International Studies requirements and Basic Core Course requirements, indicated in brackets. []

Courses highlighted in orange on this list are courses which are required courses for all Software Engineering majors.

Area 1. Communication (Composition)- 6 hours

Select two courses: ENG 122 (College Composition) and one of the courses highlighted in subgroup (b).

a. Elementary Composition

ENG 122 gtP (3) _____

b. Intermediate Composition

BA 205 gtP (3) _____

(Only if taken Summer 2008 or earlier or Fall 2013 or later.)

Special Notes

*Up to nine semester credit hours of the courses listed that can be used to satisfy the requirements of a student's first major and that carry the prefix of that major may also be used to satisfy the requirements of the LAC.

*Any course listed that can be used to satisfy the requirements of a student's first major but that does *not* carry the prefix of that major may also be used to satisfy the requirements of the LAC.

*Any course listed that can be used to satisfy the requirements of a student's minor or second major may also be used to satisfy the requirements of the LAC.

*No course taken before the time it appears as a LAC course in the *Catalog* may be used to satisfy the requirements of the LAC.

*No course taken after the time it is removed from the eligibility list for the LAC may be used to satisfy the requirements of the LAC.

Exceptions to the Requirements of the Liberal Arts Core

*Transfer students who have completed equivalent programs as determined by the Admissions Office may be exempted from all or part of the requirements of the LAC.

*A student who has earned a liberal-arts based Associate of Arts or Associate of Science degree or who has completed an equivalent program as determined by the UNC Admissions Office will receive credit for such work and be excused from Areas 1-8 of the requirements.

*If a student presents an ACT score of 30.0 or higher in English or an SAT verbal score of 630 or higher, he or she is exempt from ENG 122.

*If a student presents an ACT score of 26.0 or higher in mathematics, or an SAT math score of 560 or higher, he or she is exempt from the Area 2 requirement.

*Students interested in challenging a LAC course should contact the appropriate program to determine the availability of a challenge examination.
