The Entrepreneurship Minor is designed for students with a Business major. A key feature of the minor is the applied aspect and the customization of course work to fit the student's particular interests and career plans. Through the course work in this minor, a student can test an idea and its viability as a new venture start-up.

Admission to the minor requires that a Business major be in academic good standing in both the Monfort College of Business and the University of Northern Colorado.

Students are expected to complete the prerequisites for all courses in the minor. The prerequisites are also part of the Liberal Arts Core program and can be included in LAC preparation.

For more information about the Entrepreneurship Minor, visit the Monfort College of Business Advising Center (Kepner 1095, Phone 351-1233).
