BACHELOR OF SCIENCE  
BUSINESS ADMINISTRATION

Monfort College  
of Business

## Help People and Organizations Manage Their Finances

The finance emphasis may be a great fit for you if you have a mind for numbers, paired with an outgoing personality. This field combines conceptual and analytical skills with business acumen for finance-based positions. Career opportunities in finance range from working for a corporation or bank to opening your own business or firm. The need for professionals with specialized financial knowledge crosses virtually all fields and businesses, making the career possibilities endless.

### WHAT YOU CAN EXPECT

Your degree in business administration with an emphasis in finance will prepare you for today's business world through relevant coursework under the guidance of expert faculty. Learn to apply financial concepts, model problem solving techniques to real-world situations, explore the ethical financial dilemmas facing today's economy, develop critical communication skills, and more. Your UNC finance degree will provide your career with a launching point as a personal financial analyst, financial planner, loan officer, auditor, and many more.

### WE DO BUSINESS DIFFERENTLY

- We have one of the most innovative, student-focused business programs in the country. You'll share a classroom with an average of 26 students, so it's easy to get to know your professors and fellow students.
- You will be able to get involved in a nationally recognized student club as soon as you step foot on campus.
- You will work on real-world projects most business schools usually save for graduate students.

The Monfort College of Business is widely recognized as a leading business school and is the only one in the nation to earn the Malcolm Baldrige National Quality Award from the Office of the President of the United States.

## MCB connects students with professional experiences and internships.

### LEARN FROM EXCEPTIONAL FACULTY WITH INDUSTRY EXPERIENCE

Our award-winning faculty includes top professors, experienced executives, and practicing business professionals. They are passionate about sharing their industry expertise and connections with UNC students and working closely with you to help you develop your potential to reach your goals. In addition to traditional classroom lectures, discussions, projects and research, you'll gain real-world experience by working on financial plans for actual clients.

### GAIN THE TOOLS YOU NEED AND THE OPPORTUNITIES YOU WANT

The Monfort College of Business offers state-of-the-industry facilities, hardware, software, tools, and experiences you'll use in the workplace. Working with a wide variety of local and regional businesses and companies, MCB connects students with professional experience and internships before graduation, giving you an advantage in the job market.

### HONORED BY CREDENTIALS THAT MATTER

- For 11 consecutive years, graduating seniors of MCB have scored in the top five to 10 percent on the national Educational Testing Service Major Field Test in Business, which assesses students' core business knowledge.
- MCB is accredited by AACSB International in both business and accounting—the "gold standard" for accreditation. MCB is one of only three schools in Colorado to be accredited in both disciplines.

*"Being a student at MCB has forever changed the direction of my life. I have thoroughly enjoyed my classes, specifically all of the real-world examples, and the exceptional teaching. The course work is challenging, but the faculty and staff always take the time to ensure my success both in and out of the classroom. I firmly believe that my finance education has prepared me with all of the tools needed to be successful in the financial world."*
